

New West Metals Conflict Minerals Policy

This letter defines and communicates our policy and commitment to responsible sourcing of material.

New West Metals Inc. does not support purchasing and/or buying raw materials, components, parts or products containing tin, tantalum, tungsten or gold, herein referred to as conflict minerals, from the Democratic of Congo or adjoining countries such as: Angola, Burundi, Central African Republic, Congo, Rwanda, South Sudan, Tanzania, Uganda and Zambia. Furthermore, New West Metals does not support vendors whom directly or indirectly, contribute to the conflict minerals which are deemed unacceptable.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Schneider".
